

Canyon Stone  
and Installation

# Who Says We Make the Toughest Stone Veneer Around?

The nation's leading evaluator of building products. That's who.

## THE RESULTS ARE IN.

After rigorous testing, the ICC Evaluation Service has given Canyon Stone brick and stone veneers its seal of approval for strength and durability.

That puts us in the top 5% of manufacturers in the country.

Giving you *One Good Reason* to choose Canyon Stone for your next building project.

## One's not enough? Here are three more:

### CANYON STONE SAVES YOU MONEY.

Unlike other suppliers, we manufacture and install our stone products, eliminating distributor and mason mark-ups. This means you save money. Big money. As much as \$2,000 or more on an average home using approximately 500 square feet of stone.

### CANYON STONE OFFERS A FULL WARRANTY AND NO WARRANTY HASSLES.

All Canyon Stone products come with a 50-Year Limited Warranty on products and a One-Year Limited Warranty on installation. And since we do the entire job, from manufacturing to installation, you never have to deal with disputes about warranty responsibility.

### CANYON STONE COMES WITH OVER 50 YEARS OF STONE-CRAFTING EXPERIENCE.

Our management team and our stonemasons are dedicated professionals with years of experience crafting products that look and feel just like natural stone. Their passion for perfection has made Canyon Stone the first choice of builders throughout southern Utah.
